## CHAIR'S CHAT AUGUST 2026

August is here with more intense heat. We must all take care of ourselves. There was a grass fire in the fields adjacent to Cock Lane recently and it brought home how fragile our safety is. Had it jumped the road then houses would have been vulnerable. Good to say that the fire brigade were brilliant and extinguished it quickly. Meanwhile in Europe they face enormous challenges.

The Spotlight offers air conditioning and free cold water in the bar area! Do come along.

## **ANYONE INTERESTED IN SETTING UP A LOCAL THEATRE GROUP?**

As you know, we have been offered a special discount on the Spotlight Event featuring the songs of Frank Sinatra, which takes place in September. The offer is current for Broxbourne u3a members. If you have not yet booked your seat then just enter the code "Frank3" when you book to receive the discount.

We have also received an offer for a discount on tickets for "Serial Killers Unmasked" in November at the Spotlight. Full details on the Spotlight website. We would receive a £2 discount on ticket prices if we order 12. This appears to be an increasing trend and it is good that our members are able to benefit.

Clearly a small amount of admin is required to bring everything together and the committee are looking for a member who would be prepared to get involved.

Just speak to or email any committee member for further information. You will be offered every support from us.
