Dear Ms Cordina

I am writing to thank you and your members for the warm welcome I received during my recent visit to your meeting at The Spotlight in Hoddesdon.

It was a pleasure to meet with a number of local residents and to hear directly about the issues that matter most to the community. Prior to the meeting, constituents had raised a number of important questions and concerns which I will be following up on.

It was lovely to speak to all the Members and update them on the issues I have been working on locally. Meetings such as this are extremely valuable in helping me understand the challenges facing local people and ensuring that their concerns are properly represented.

Thank you again to everyone involved in making the meeting a success and for their continued work supporting the local community.

I look forward to staying in touch and would certainly be happy to come and speak to your Members again.

With best wishes

Yours sincerely
